Absorbent pads and rolls

- Poly absorbent pads and rolls are the modern day replacement for waste rags and kitty litter in the workplace
- Grey coloured absorbents are designed for general purpose (all-liquid) spills
- White absorbents are hydrophobic and will not absorb water, making the ideal for oil and fuel spills in wet or damp environments
- Pink absorbents are designed for use with harsh chemicals and will not react to aggressive liquid spills
- Excellent for wiping down oily equipment or place under or around leaking machinery.
- Made in Australia
